- ◆ Continue to scan the NZ COVID Tracer QR Code or sign the Contact Tracing register when entering building.
- ◆ Keep your distance— maintain a safe distance from people you don't know while out and about.
- ◆ Rachel Pools - QE staff will be monitoring numbers in pool regularly to ensure there is no over-crowding.
- ◆ Limit to one support person per client.  
*(unless otherwise agreed prior to appointment).*

QE Health staff will be sanitising surfaces and work areas on a regular basis. It is our priority to maintain high levels of cleanliness within our workplace.
